Dear Friends,

We are excited to share the news with you that Yeshiva High School of Arizona is now an accredited school by **AdvancED***. We share this news with all of you because it is through your partnership and dedication that we have reached this milestone. We are grateful to Hashem for the wonderful staff at YHSA that has always been dedicated to the highest standards of education and for our amazing student body.

One AdvancED team member (a current superintendent who was an early childhood teacher) stated, "This high school convinced me that I don't have to *not* like high school students!" Our students made a tremendous *Kiddush Hashem* that our community can truly be proud of. The team leader commented, "In one of the grading standards, your school rated the second highest of any school I have seen in the last 4 or 5 years!"

***AdvancED** is dedicated to advancing excellence in education worldwide through accreditation and school improvement. AdvancED brings together the expertise of three US-based accreditation agencies — the North Central Association Commission on Accreditation and School Improvement (NCA CASI), Northwest Accreditation Commission (NWAC), and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI).
